Schedule Overview

The schedule reflects a 3+1 system, meaning that on a recurring basis, residents rotate through a three week block rotation followed by a one week block, which will include Continuity Clinic and research time.

Sites

Site 1: Candler Hospital; Site 2: St. Joseph's Hospital

Rotation: Wards= Inpatient General Medicine Clinic = Continuity Clinic MICU= Medical Intensive Care Unit
 EM= Emergency Department NF= Night Float Geri= Geriatrics CVICU=Cardiovascular Intensive Care Unit CM=Community Medicine

Notes:

- 1) **Vacation Time:** There will be four weeks of vacation per PGY year. Vacation should be taken during designated block times which will be assigned through a lottery.
- 2) **Possible Electives:** Cardiology, Critical Care, Hematology / Oncology, Nephrology, Gastroenterology, Infectious Diseases, Endocrinology, Pulmonary Disease, Neurology and Rheumatology.
- 4) **Advanced Electives:** Street Medicine, Away Electives (no more than 2 total), Academic Medicine, Urgent Care,
