Wound & Stoma Care

(912) 819-8187

The Center for Hyperbaric and Wound Care focuses on a whole-body approach to wound healing.

Counseling Services

Our licensed Counselor can help you or your loved ones deal with the emotional distress that can come with a cancer diagnosis or treatment. Services are beneficial at any point during the cancer experience.

Contact your provider for a referral to Social Work.

Howard Hand in Hand

(912) 724-9743 or

oncsupportserv@sjchs.org

Provides support, education, and guidance to children and teens with a family member facing a life-threatening disease. This free program helps children cope with and process their thoughts and feelings – often fear, sadness, anger, and confusion, about how life has changed for them and their families because of illness or disease. This program is open to the children of any patient with a severe illness such as cancer, heart failure, stroke, etc.

Social Work

oncsupportserv@sjchs.org

Social workers can assist you with challenges getting treatment.
