

Dear Prospective Volunteer,

I am excited to share some information about the Volunteer programs at St. Joseph's/Candler with you! We are always looking for energetic, dependable individuals over the age of 21 who can make a commitment of 4 hours per week to join our team. Both hospitals have many areas that could use an extra pair of hands and a smiling face. Our volunteers (which include women and men) have been enriching the lives of our patients since 1963 and have raised over 9 million dollars to improve patient care!

If you have some time to fill and would like to talk more about joining our awesome team, please complete the application and background check forms and drop it by either gift shop, in the application drop boxes at either campus, email it to weissh@sichs.org, or fax it to (912) 819-5889.

All volunteers born after January 1, 1957, are also required to submit a copy of their Immunization Records to show two Measles Mumps and Rubella immunizations. If you are not able to provide a copy of your Immunization Record, a titer test can be done at the Chatham County Health Department to show that you have been immunized. St. Joseph's/Candler does not cover the cost of the titer test.

After we receive your completed application, we will conduct a reference check and submit your background check for processing. After we receive clearance, which usually takes 5-7 business days, we will contact you to schedule your orientation, TB screening, and badge.

Thank you for your interest in St. Joseph's/Candler and our Volunteer Program. We look forward to meeting with you as you pursue a successful volunteer career.

Sincerely,

Holly M. Weiss, CDVS
