

## BEST FOOT FORWARD: SAVING MONEY WITH A SMARTSENIOR MEMBERSHIP

Did you know that you could be saving money from your SmartSenior membership? After you pay your \$18 membership fee, you gain access to our programs and extensive merchant discount list. Below is a broken down version of how to get the most bang for your buck using the SmartSenior programs and merchant discount list.

### Merchant Discount Savings

The most popular merchant discount item on the list is the Auto Shine Car Wash; they have five different locations in the greater Savannah area. You get 50% off car washes on Wednesday's.

Options for car washes are:

Basic Full - \$29.99 Deluxe - \$37.99

The Works - 44.99 The Ultimate - \$69.99

Full Detail - \$275.00

If you were to choose the basic, you would be paying around \$15 per car wash on Wednesdays. After you go to the car wash, twice you would have made \$12 off your initial investment of \$18 for a SmartSenior Membership. Now imagine you get a car wash once a month on Wednesday with the basic wash for a year. That means you would have saved \$162 from your initial investment of \$18 from the SmartSenior Membership.

Kelly Tours is a local group travel agency in the low country. SmartSenior has an exclusive travel program. Members of SmartSenior get \$5 off day trips and 5% off selected overnight trip.

Five percent off a 3 night trip costing \$350 would save you \$17.50. That almost pays for your membership!

### SmartSenior Activities

SmartSenior offers a variety of activities for members that are free of charge after you pay your \$18 SmartSenior membership!

Exercise classes average between \$15-\$20

Line Dance Class average between \$20-\$25

Yoga Classes average is about \$20 dollars per class

SmartSenior offers all of these classes for free once you have joined!

### Movie Days

The average movie ticket for seniors is about \$12 and popcorn and soda is between \$15-\$20 so going to the movies can average \$30 bucks. We have a movie day for our members twice a month with popcorn and drinks.

Overall, even if you participate in just two of the listed items above you would be saving money from your initial investment with your SmartSenior membership. The more activities and merchant discounts you use, the more money you can save. Start saving money today by taking advantage of all your membership has to offer!

# A YEAR IN REVIEW

## Christmas Party

SmartSenior was so thankful that we could gather with our members for our annual Christmas party. It has been two year's since we have been able to host a large in person event. Our members enjoyed laughter, dancing and enjoyed themselves throughout the day. It was a very special event and we are so excited to get back and see all of you!

## SmartSenior Advisory Board Christmas Outreach

During the November SmartSenior Advisory Board meeting, Board Member Thelma Ellington spoke with fellow board members about the possibility of providing a small Christmas gift to residents of a local skilled nursing facility. In the spirit of the season, members of the SmartSenior Advisory Board made short work of the project! Board member Colette Balder joined Mrs. Ellington to help organize the project. The ladies contacted Riverview Health & Rehabilitation Center in Savannah. The staff at Riverview were over joyed with the idea that each of their residents will receive a small Christmas gift to unwrap.

"Everyone does toy drives for kids, but no one thinks about the seniors in nursing homes with no family or friends," event organizer Thelma Ellington said. "They see other residents getting gifts from loved ones and it increases the depression and loneliness they feel. Riverview staffer Jo Luck said, "The past 2 years with the COVID-19 pandemic have been particularly isolating for nursing home residents. Their interactions with each other have been restricted, their time with staff has been limited and the volunteers have not been allowed in for most of the last almost two years."

Mrs. Ellington and Mrs. Balder then contacted all of the board members with the mission to donate the requested 168 pairs of dark colored socks wrapped in festive holiday wrapping paper! What a wonderful way of making Christmas day a little brighter! In the words of St. Francis of Assisi, "For it is in the giving that we receive."

## SmartSenior Membership Referral Contest

During September and October of each year SmartSenior members have the opportunity to share all the benefits of being a SmartSenior with their friends and family. SmartSenior members received a free personal cooler for each member that joined from their referral and their name went in the "hat" for a chance to win a \$100 gift card to Wal-Mart. This year's contest winner was Lenora Everett. Make sure you look for the contest in the fall of next year for your chance to win!

## SmartSenior is hitting the ground running in 2022!

While COVID-19 has given us some trouble over the last two years, we are excited about the prospect of being able to meet for more in-person events and activities. Make sure to look over your SmartSenior Newsletter for all the events that will be coming back in 2022. Line Dance Classes are moving back to a larger location, a Scrabble Tournament has been added for the first time. Hopefully the spring-time season will allow us to host more seminars at both hospitals and our Pooler Campus, our most popular Bingo Bash Luncheon and the Smart Living Expo and Health Fair in the early summer. Plans for exciting new events are also in the works for Fall...so keep watching for what's new in 2022!
