

## SMARTSENIOR IMPLEMENTS THOUGHTFUL REOPENING OF ACTIVITIES

SmartSenior thanks each of you for your patience during the COVID-19 Global Pandemic. After much careful planning, SmartSenior will be reopening some of our regularly scheduled activities. To start with, we will have to limit the amount of people at each class offered. A face mask (must provide your own) will be required to attend any events/activities. You will be required to call and register for all events/activities (no exceptions). This allows us to guarantee social distancing for your safety. Some of our activities will be offered multiple times during the same day to ensure more of our members can enjoy participating. All of our activity rooms and equipment will be cleaned and sanitized between all classes/activities for your safety. We ask that you take note of the location changes made to some of the activities. All activities will be taking place at the SmartSenior office, located at 836 E 65th Street, Suite 8 in Savannah. Our Lunch and Learn seminars will be held at Candler Hospital's Marsh Auditorium. As time passes we look forward to returning to St. Joseph's on the Southside and Pooler with our lectures and seminars!

Office Services at SmartSenior will also have a "new look". SmartSenior members must call to make an appointment for any of our free office services. This will include photo copies, faxing, secure document shredding, notary services and laminating. Again, you will be required to wear a mask (must provide your own) during your visit to the office. There will be a limit of 2 members in our office per appointment to ensure social distancing is followed.

SmartSenior rescheduled our most popular spring event – BINGO BASH LUNCHEON – to Friday, August 7th. Tickets are still available. You can purchase your tickets by phone with a debit or credit card or make an appointment to stop by our office in person. Tickets that were purchased during the spring will be honored on the new date. Please keep in mind that all scheduled events are subject to change. If we experience a second wave of COVID-19 or have concerns about the current status of the community, this event could be postponed again.

Please bear with us as things seem to be changing ever so rapidly. We encourage you to call us at (912)352-4405 with any questions, concerns or to check on the status of our events and activities. SmartSenior looks forward to seeing and hearing from you!

Friday, August 14

First Show 10:00 am

Second Show 2:00 pm

Both showings held at SmartSenior Office

Call (912) 352-4405 to register (space very limited)

Starring Michael B Jordan and Jamie Foxx

A powerful and thought-provoking true story, “Just Mercy” follows young lawyer Bryan Stevenson (Jordan) and his history-making battle for justice. After graduating from Harvard, Bryan had his pick of lucrative jobs. Instead, he heads to Alabama to defend those wrongly condemned or who were not afforded proper representation, with the support of local advocate Eva Ansley. One of his first, and most incendiary, cases is that of Walter McMillian (Foxx), who, in 1987, was sentenced to die for the notorious murder of an 18-year-old girl, despite a preponderance of evidence proving his innocence.

## DON'T AVOID YOUR DOCTOR DURING THE CORONAVIRUS PANDEMIC

### Is it safe to go to the doctor?

The media is reporting that fewer people are going to their medical appointments or seeking medical help out of concern about COVID-19 — the disease caused by the coronavirus that's led to the global pandemic. Even emergency rooms across the country are seeing fewer patients for serious health problems, such as heart attack, stroke and acute appendicitis. Doctors note that waiting too long to get help for life-threatening conditions can be more dangerous than infection with the new coronavirus.

### When should I see a doctor in person?

If you're experiencing a medical issue or change in your health, call and talk through your symptoms with your primary care doctor. He or she may suggest a telemedicine visit with him or her, ask that you come into the office or suggest seeking treatment in an urgent care facility or emergency department. Your primary care physician is familiar with your history and medical conditions and can make the best suggestions for your care.

### Is there another medical option?

St. Joseph's/Candler's Smart Care 24/7 offers telemedicine visits for minor medical needs from the comfort of your own home.

### How does Smart Care 24/7 work?

- You can access a provider through our web portal at [www.sjchs.org](http://www.sjchs.org) or through the Smart Care 24/7 app.
- No appointment is needed.
- Register in less than three minutes.
- A provider will be discussing your issue in 20-30 minutes
- Cost is \$49 a visit

Smart Senior discount already included in final price.

A LETTER FROM THE PRESIDENT & FOUNDER OF KELLY TOURS

Firstly, I would like to extend on behalf of all of us at Kelly Tours, our very best wishes, thoughts and prayers to all of our friends at St. Joseph's/Candler Smart Senior Travel Club, and hope that you and your families are safe and sound during this awful pandemic.

As you may imagine it has been a rather trying time for the company as group travel came to a screeching halt in March resulting in mass trip cancellations. The ensuing process of dismantling trips and the restructuring of the company has seen many of your favorite drivers & guides as well as office staff, furloughed and the remaining skeleton crew, holding the fort from the confines of their homes as we, like you, sheltered in place.

I would like to thank those of you at Smart Senior who have expressed your support, your patience and understanding during these past couple of dark months. There is, however, an ever-growing light at the end of the tunnel as many states start a gradual reopening which will allow us to now introduce our own reboot for the concept of group travel. This will offer you, our dear passengers, the opportunity to leave the house, have a change of scenery, interact safely with your fellow human beings and Hit the Road Again!

To that end Kelly Tours will start to roll again in July with a series of day and overnight trips throughout the Summer to local uncrowded locations; reschedule, reactivate and reintroduce trips for the Fall; and launch our Christmas program.

Obviously, things will not be exactly the same as they were before. To adhere to social distancing guidelines, trips will be limited to 24 passengers per coach, face masks must be worn onboard and each passenger's temperature will be taken prior to boarding. Restaurant seating will be greatly spread out and, in some cases, boxed meals will be substituted. Passengers will also be advised on local guidelines laid down by the venues and locations that we shall visit. Coaches will be thoroughly cleaned and sanitized prior and during each trip and hand sanitizer stations will be placed at bus loading areas and will be available onboard. Your health and Safety are our number one priority, always!

So please do visit our web site [www.kellytours.com](http://www.kellytours.com) or call us at 800-442-6152 to check out upcoming travel opportunities.

How about?

**TRIP #14423 ON JULY 16TH TO EXPLORE THE NEWLY REOPENED GARDENS AT MAGNOLIA PLANTATION?**

Or,

**TRIP #13937 ON JULY 25TH TO SEE THE BRAND NEW NARROWWAY SHOW "ANNO DOMINI"?**

Or perhaps,

**HEAD OUT TO TYBEE ISLAND FOR A DOLPHIN EXPERIENCE ON JULY 28TH TRIP #14422**

Or

**JOIN US IN ATLANTIC CITY AT BALLY'S ON THE RESCHEDULED DATE OF AUGUST 23-28TH TRIP #14421?**

Or even

**HEAD INTO PENN DUTCH COUNTRY TO SEE THE AMISH AND TAKE IN THE SIGHT & SOUND PRODUCTION OF QUEEN ESTHER ON THE RESCHEDULED TRIP #14416 ON SEPTEMBER 27-30**

The choice is yours and we very much look forward to welcoming you again onboard Kelly Tours as we Hit the Road Again!

Yours very sincerely in Travel,

Don Adams
