Policy Statement

It is the policy of the Medical Staff to comply with the HCFA Conditions of Participation, therefore, all Medical Staff are provided with an identification badge that must be worn within the confines of the hospital.

Entities to whom this Policy Applies

Medical Staff of St. Joseph's/Candler Health System

Procedure

According to HCFA Standards and Certification, Part 482 Conditions of Participation for Hospitals, services are provided under the direction of qualified members of the Medical Staff. Policies and procedures governing medical care provided in the services or departments are established by and are a continuing responsibility of the Medical Staff. To this end, the hospital must have an established system to ensure that all hospital staff are identified to patients and visitors when providing patient care/services.
