INDEPENDENT AUDITOR'S REPORT

The Board of Trustees
St. Joseph's/Candler Health System, Inc.
Savannah, Georgia

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying combined financial statements of St. Joseph's/Candler Health System, Inc. (System), which comprise the combined balance sheets as of June 30, 2025 and 2024, and the related combined statements of operations and changes in net assets, and cash flows for the years then ended, and the related notes to the combined financial statements.

In our opinion, based on our audits and the report of the other auditors, the accompanying combined financial statements present fairly, in all material respects, the financial position of St. Joseph's/Candler Health System, Inc. as of June 30, 2025 and 2024, and the results of its operations, changes in its net assets, and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

We did not audit the financial statements of Geechee Reinsurance Company, LLC, a wholly-owned subsidiary, which statements reflect total assets constituting 6% of combined total assets as of June 30, 2025 and 2024, and total revenues constituting 1% of combined total revenues for the years then ended. Those statements were audited by other auditors, whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for Geechee Reinsurance Company, LLC, is based solely on the report of the other auditors.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of St. Joseph's/Candler Health System, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion. The financial statements of Geechee Reinsurance Company, LLC were not audited in accordance with *Government Auditing Standards*.

Let's Think Together.®

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the combined financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the combined financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about St. Joseph's/Candler Health System, Inc.'s ability to continue as a going concern within one year after the date that the combined financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the combined financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user based on these combined financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combined financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the combined financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of St. Joseph's/Candler Health System, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combined financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about St. Joseph's/Candler Health System, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Continued

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 23, 2025, on our consideration of the System's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the System's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the System's internal control over financial reporting and compliance.

NOTES TO COMBINED FINANCIAL STATEMENTS

June 30, 2025 and 2024

1. Summary of Significant Accounting Policies

Organization

St. Joseph's/Candler Health System, Inc. (System), a not-for-profit membership corporation, was formed in 1997 under a Joint Operating Agreement entered into between Candler Hospital, Inc. (CH), Saint Joseph's Hospital, Inc. (SJH), and their various respective affiliates, such that the System became the parent organization of CH, SJH, and the affiliates. The Sisters of Mercy of the Americas, Inc. (SMA) is the sole member of the System.

The System is governed by its Board of Trustees (Board) with 19 members. The Board is self-perpetuating and elects its own members, except for the right of the South Central Leadership Team of SMA to appoint three trustees who shall be Sisters of SMA or another congregation of Roman Catholic religious women; and three trustees serve as ex-officio members, the System CEO (ex-officio voting) and the Presidents of the Medical Staff of CH and SJH (ex-officio nonvoting).

The System operates a comprehensive integrated healthcare network and serves as the controlling body of its affiliated entities as follows:

CH is a not-for-profit corporation, of which the System is the sole member, established to provide comprehensive health care services through the operation of a 384-bed acute care hospital in Savannah, Georgia. CH is the sole member of and operates SJC Oncology Services - Georgia, LLC in Savannah, Georgia, SJC Oncology Services - South Carolina, LLC in Hilton Head, South Carolina, Candler Medical Oncology Practice, LLC, Candler ENT Practice, LLC, and SJ/SC Cardiology, LLC, all of which are single member LLC's that provide advanced radiation oncology and other specialized services.

SJH is a not-for-profit corporation, of which the System is the sole member, established to provide comprehensive health care services through the operation of a 330-bed acute care hospital in Savannah, Georgia. SJH is the sole member of and operates St. Joseph's Medical Group, LLC, St. Joseph's Cardiology Group, LLC, SJC Electrophysiology, LLC, and St. Joseph's Vascular Group, LLC, all of which are single member LLC's that provide specialized physician services.

SJC Home Health, Inc. (Home Health) is a not-for-profit corporation, of which the System is the sole member, established to provide home health services in a twenty-one county area in southeast Georgia.

1. Summary of Significant Accounting Policies, Continued

Organization, Continued

Georgia Infirmary, Inc. (Infirmary) is a not-for-profit corporation, of which the System is the sole corporate member. The System shall have, and may exercise with respect to the Infirmary, all rights and authorities granted by law to members of nonprofit corporations in Georgia or the bylaws of the Infirmary, except that the System does not have the authority to change the mission of the Infirmary as outlined in the Infirmary's original Articles of Incorporation. In the event of any merger or sale of substantially all of the assets of the System, all membership interests of the System in the Infirmary shall be deemed surrendered by the System and reverted to the Infirmary. The Infirmary is an adult day health provider and also provides a case management program to improve health outcomes for elderly or disabled Medicaid recipients with chronic medical conditions.

SJC Ventures, Inc. (SJCVC) is a for-profit corporation and wholly owned stock subsidiary of the System organized to be the sole shareholder of SJC Medical Group, Inc., SJC Properties, Inc. and SJC Health Services, Inc., thereby creating an affiliated group of corporations eligible to report on a consolidated basis for federal income tax purposes within the meaning of the Internal Revenue Code of 1986, as amended. In the accompanying combining information, the wholly owned subsidiaries of SJCVC are presented separately.

SJC Medical Group, Inc. (SJCMI) is a for-profit corporation which owns, operates, and manages physician practices, in addition to performing billing services, of which SJCVC is the sole shareholder. SJCMI maintains a controlling interest in Chatham Hospitalists, LLC.

SJC Properties, Inc. (Properties) is a for-profit corporation, wholly owned by SJCVC, which owns and develops certain real estate and manages several medical office buildings.

SJC Health Services, Inc. (Health Services) is a for-profit corporation, wholly owned by SJCVC, organized to further the health care delivery of the System. Health Services maintains a controlling interest in SJC/Wayne Medical Oncology, LLC and St. Joseph's/Candler Urgent Care Centers, LLC.

Geechee Reinsurance Company, LLC (Geechee) is a captive insurance company formed under the laws of the State of South Carolina to insure the general and professional liability risks of the System. Geechee is organized as a single member LLC with the System as its sole member.

The combined financial statements include the accounts of St. Joseph's/Candler Health System, Inc. and its affiliated entities. All significant intercompany accounts and transactions have been eliminated.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued

June 30, 2025 and 2024

1. Summary of Significant Accounting Policies, Continued

Basis of Accounting

These combined financial statements, which are presented on the accrual basis of accounting, have been prepared to focus on the System as a whole and to present balances and transactions according to the existence or absence of donor-imposed restrictions. This has been accomplished by classifying net assets and transactions as net assets without donor restrictions and net assets with donor restrictions.

Net assets without donor restrictions - net assets available for use in general operations and not subject to donor imposed restrictions. The Board of Trustees has discretionary control over these resources. Designated amounts represent those net assets that the Board has set aside for a particular purpose. All revenue not restricted by donors and donor restricted contributions whose restrictions are met in the same period in which they are received are accounted for in net assets without donor restrictions.

Net assets with donor restrictions - net assets subject to donor imposed restrictions. Some donor imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. All revenues restricted by donors as to either timing, purpose of the related expenditures, or required to be maintained in perpetuity as a source of investment income are accounted for in net assets with donor restrictions. When a donor restriction expires, that is when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Use of Estimates

The preparation of the combined financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the combined financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include investments in highly liquid debt instruments such as certificates of deposit, commercial paper and money market accounts purchased with a maturity of three months or less.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued
June 30, 2025 and 2024

1. Summary of Significant Accounting Policies, Continued

Patient Accounts Receivable

Patient accounts receivable reflects the outstanding amount of consideration to which the System expects to be entitled in exchange for providing patient care. These amounts are due from patients, third-party payers (including health insurers and government programs), and others. As a service to the patient, the System bills third-party payers directly and bills the patient when the patient's responsibility for copays, coinsurance, and deductibles is determined. Patient accounts receivable are due in full when billed.

Patient accounts receivable can be impacted by the effectiveness of the System's collection efforts. Additionally, significant changes in payor mix, business office operations, economic conditions, or trends in federal and state governmental healthcare coverage could affect the net realizable value of patient accounts receivable. The System also continually reviews the net realizable value of patient accounts receivable by monitoring historical cash collections as a percentage of trailing net patient service revenues, as well as by analyzing current period net revenue and admissions by payor classification, aged patient accounts receivable by payor, days revenue outstanding, and the composition of self-pay receivables between pure self-pay patients and the patient responsibility portion of third-party insured receivables.

Patient accounts receivable was \$127,844,990, \$138,148,325 and \$119,831,605 as of June 30, 2025, 2024 and 2023, respectively. The System had no significant contract assets or contract liabilities as of June 30, 2025 or 2024.

Allowance for Credit Losses

The System records credit losses for patient accounts receivable based on the current expected credit loss model. Credit losses are recorded after consideration of any implicit or explicit price concessions. In evaluating the collectability of patient accounts receivable, management evaluates historical losses as well as adjustments for current conditions, asset-specific risk characteristics and reasonable and supportable forecasts to determine an allowance for expected credit losses.

The System has elected the practical expedient in FASB ASC 326-20-30-10C, which allows the entity to assume that current conditions as of the balance sheet date do not change for the remaining life of the asset. However, the System does continue to adjust historical loss information to reflect current conditions to the extent that historical loss information does not reflect current conditions. The System has determined that the current and reasonable and supportable forecasted economic conditions as of the balance sheet date are consistent with those conditions that existed during the period that the historical data was collected. Accordingly, the System determines that no adjustment to its historical loss information is necessary.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued

June 30, 2025 and 2024

1. Summary of Significant Accounting Policies, Continued

Allowance for Credit Losses, Continued

The System also applied the accounting policy election to consider collection activity after the balance sheet date when estimating expected credit losses. The System considers collection activity through the date the financial statements were issued. The System develops its estimate of expected credit losses by determining which receivables have been collected and then recognizing an allowance for the amounts that are uncollected based on its historical loss rates. Management believes that an allowance for credit losses is not significant at year-end.

Inventories

Inventories are stated at the lower of cost and net realizable value, as determined on a first-in, first-out basis.

Investments

Investments in equity securities with readily determinable fair values and all investments in debt securities, which are all classified as trading securities, are measured at fair value in the combined balance sheets. For investments in equity securities without a readily determinable fair value that do not qualify for the net asset value (NAV) practical expedient in ASC 820-10-35-59, an entity is permitted to elect a practicability exception to fair value measurement, under which the investment will be measured at cost, less impairment, plus or minus observable price changes (in orderly transactions) of an identical or similar investment of the same issuer. Investment income or loss (including realized and unrealized gains and losses on investments, interest and dividends) is included in excess revenues unless the income or loss is restricted by donor or law.

Assets Limited as to Use

Assets limited as to use primarily include assets held by trustees under indenture agreements; restricted assets under a deferred compensation agreement; and designated assets set aside by the Board for future capital improvements, self-insurance and unfunded deferred compensation, over which the Board retains control and may at its discretion subsequently use for other purposes. Amounts required to meet current liabilities of the System have been reclassified in the combined balance sheets at June 30, 2025 and 2024.

Property and Equipment

Property and equipment acquisitions over \$5,000 are recorded at cost. Depreciation is provided over the estimated useful life of each class of depreciable asset and is computed on the straight-line method. Finance lease assets are amortized on the straight-line method over the shorter period of the lease term or the estimated useful life of the asset. Such amortization is included in depreciation and amortization in the combined financial statements. Interest costs incurred on borrowed funds during the period of construction of capital assets is capitalized as a component of the cost of acquiring those assets.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued

June 30, 2025 and 2024

1. Summary of Significant Accounting Policies, Continued

Property and Equipment, Continued

Gifts of long-lived assets, such as land, buildings, or equipment, are reported as increases in net assets without donor restrictions, and are excluded from excess revenues, unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as increases in net assets with donor restrictions. Absent explicit donor stipulations addressing how long those long-lived assets must be maintained, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

Goodwill

Goodwill and intangible assets with indefinite lives are tested for impairment annually and more frequently in the event of an impairment indicator. Intangible assets with definite lives are amortized over their respective estimated useful lives, and reviewed whenever events or circumstances indicate impairment may exist.

The System assesses qualitative factors to determine whether the existence of events or circumstances leads to a determination that it is more likely than not that the fair value of a reporting unit is less than its carrying amount. If, after assessing the totality of events or circumstances, the System determines it is more likely than not that the fair value of a reporting unit is less than its carrying amount, then an impairment loss for the amount by which the carrying amount exceeds the reporting unit's fair value is recorded.

As of June 30, 2025 and 2024, the System had goodwill of \$56,577,257. The System has elected June 30th as its annual impairment assessment date. The System completed its annual impairment assessment and concluded that no material goodwill or indefinite lived intangible asset impairment charge was required for 2025.

Beneficial Interest in Net Assets of Foundations

The System accounts for the activities of its related Foundations in accordance with FASB ASC 958-20, *Not-for-Profit Entities, Financially Interrelated Entities*. FASB ASC 958-20 establishes reporting standards for transactions in which a donor makes a contribution to a not-for-profit organization which accepts the assets on behalf of or transfers these assets to a beneficiary which is specified by the donor. The St. Joseph's Foundation of Savannah, Inc. and Candler Foundation, Inc. accept assets on behalf of SJH and CH, respectively.

Deferred Financing Costs

Costs related to the issuance of long-term debt were deferred and are being amortized using the straight-line method over the life of the related debt which approximates the effective interest method. These costs are reported on the combined balance sheets as a direct deduction from the carrying amount of the related debt liability.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued

June 30, 2025 and 2024

1. Summary of Significant Accounting Policies, Continued

Revenues and Gains in Excess of Expenses and Losses

The combined statements of operations and changes in net assets includes revenues and gains in excess of expenses and losses. Changes in net assets without donor restrictions which are excluded from revenues and gains in excess of expenses and losses, consistent with industry practice, include permanent transfers of assets to and from affiliates for other than goods and services, and contributions of long-lived assets (including assets acquired using contributions which by donor restriction were to be used for the purposes of acquiring such assets).

Patient Service Revenue

The System has agreements with third-party payors that provide for payments to the System at amounts different from its established rates. Payment arrangements include prospectively determined rates per discharge, reimbursed costs, discounted charges, and per diem payments. Net patient service revenue is reported at the amount that reflects the consideration to which the System expects to be entitled in exchange for providing patient care. These amounts are due from patients, third-party payors, and others and includes variable consideration for retroactive revenue adjustments under reimbursement arrangements with third-party payors. Retroactive adjustments are included in the determination of the estimated transaction price and adjusted in future periods as settlements are determined.

Charity Care

The System provides care to patients who meet certain criteria under its financial assistance policy without charge or at amounts less than its established rates. Because the System does not pursue collection of amounts determined to qualify as charity care, they are not reported as revenue.

Estimated Self-Insurance Costs

The provision for estimated malpractice claims and other claims under self-insurance plans include estimates of the ultimate costs for both reported claims and claims incurred but not reported.

Income Taxes

The System, CH, SJH, Home Health and Infirmary are generally exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Only net income from activities designated as unrelated to the exempt purposes of CH, SJH, Home Health, and Infirmary are subject to federal and state unrelated business income tax. Geechee is organized as a single member LLC owned by System and is treated as a disregarded entity for tax purposes.

ST. JOSEPH'S/CANDLER HEALTH SYSTEM, INC.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued
June 30, 2025 and 2024

1. Summary of Significant Accounting Policies, Continued

Income Taxes, Continued

The System applies accounting policies that prescribe when to recognize and how to measure the financial statement effects of income tax positions taken or expected to be taken on its income tax returns. These rules require management to evaluate the likelihood that, upon examination by the relevant taxing jurisdictions, those income tax positions would be sustained. Based on that evaluation, the System only recognizes the maximum benefit of each income tax position that is more than 50% likely of being sustained. To the extent that all or a portion of the benefits of an income tax position are not recognized, a liability would be recognized for the unrecognized benefits, along with any interest and penalties that would result from disallowance of the position. Should any such penalties and interest be incurred, they would be recognized as operating expenses.

Based on the results of management's evaluation, no liability is recognized in the accompanying combined balance sheets for unrecognized income tax positions. Further, no interest or penalties have been accrued or charged to expense as of June 30, 2025 and 2024 or for the years then ended. The System's tax returns are subject to possible examination by the taxing authorities. For federal income tax purposes, the tax returns essentially remain open for possible examination for a period of three years after the respective filing deadlines of those returns.

SJCV, SJCMG, Properties, and Health Services have generally incurred operating losses for tax purposes and have not recorded a current or deferred tax provision due to significant net operating loss (NOL) carryforwards which would be utilized to offset any potential tax liabilities generated from future taxable income. At June 30, 2025, NOL carryforwards expiring through 2045 amounted to approximately \$87,738,000 and are available for the offset of future taxable income. No asset has been recognized related to this NOL carryforward due to continued operating losses.

Impairment of Long-Lived Assets

The System evaluates on an ongoing basis the recoverability of its assets for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is required to be recognized if the carrying value of the asset exceeds the undiscounted future net cash flows associated with that asset. The impairment loss to be recognized is the amount by which the carrying value of the long-lived asset exceeds the asset's fair value. In most instances, the fair value is determined by discounted estimated future cash flows using an appropriate interest rate. The System has not recorded any material impairment charges in the accompanying combined statements of operations and changes in net assets for the years ended June 30, 2025 and 2024.

ST. JOSEPH'S/CANDLER HEALTH SYSTEM, INC.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued
June 30, 2025 and 2024

1. Summary of Significant Accounting Policies, Continued

Fair Value Measurements

FASB ASC 820, *Fair Value Measurement and Disclosures*, defines fair value as the amount that would be received for an asset or paid to transfer a liability (i.e., an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. FASB ASC 820 also establishes a fair value hierarchy that requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. FASB ASC 820 describes the following three levels of inputs that may be used:

- *Level 1:* Quoted prices (unadjusted) in active markets that are accessible at the measurement date for identical assets and liabilities. The fair value hierarchy gives the highest priority to Level 1 inputs.
- *Level 2:* Observable prices that are based on inputs not quoted on active markets but corroborated by market data.
- *Level 3:* Unobservable inputs when there is little or no market data available, thereby requiring an entity to develop its own assumptions. The fair value hierarchy gives the lowest priority to Level 3 inputs.

Recently Adopted Accounting Pronouncement

In July 2025, the FASB issued ASU No. 2025-05, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses for Accounts Receivable and Contract Assets*, which provides entities with a practical expedient and accounting policy election when estimating expected credit losses for current accounts receivable and current contract assets arising from transactions accounted for under FASB ASC 606 on revenue from contracts with customers. The System prospectively adopted the practical expedient and accounting policy election for fiscal year 2025.

Subsequent Events

In preparing these combined financial statements, the System has evaluated events and transactions for potential recognition or disclosure through October 23, 2025, the date the combined financial statements were issued.

2. Investments

Assets Limited as to Use

The composition of assets limited as to use at June 30, 2025 and 2024 is set forth in the following table. Investments are stated at fair value.

	<u>2025</u>	<u>2024</u>
Held in trust under bond indenture:		
Cash and cash equivalents	\$ 36,373,342	\$ 62,370,366
Mutual funds - fixed income	<u>4</u>	<u>4</u>
Total	<u>36,373,346</u>	<u>62,370,370</u>
Restricted under deferred compensation agreements:		
Mutual funds - equity	<u>510,418</u>	<u>450,088</u>
Total	<u>510,418</u>	<u>450,088</u>
Board designated:		
Cash and cash equivalents	3,616,509	2,084,263
Mutual funds - fixed income	117,207,520	96,796,206
Mutual funds - equity	200,362,598	169,197,334
Mutual funds - international equity	35,343,851	54,220,192
Equity securities - common stock	31,930,414	29,647,518
Equity securities - international	5,962,028	3,001,768
Interest receivable	<u>149,425</u>	<u>198,821</u>
Total	<u>394,572,345</u>	<u>355,146,102</u>
Total assets limited as to use	431,456,109	417,966,560
Less amounts required for current liabilities	<u>15,287,664</u>	<u>13,983,506</u>
Total	\$ <u>416,168,445</u>	\$ <u>403,983,054</u>

Continued

ST. JOSEPH'S/CANDLER HEALTH SYSTEM, INC.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued
June 30, 2025 and 2024

2. Investments, Continued

Assets Limited as to Use, Continued

Investment income and gains for assets limited as to use, cash equivalents, and investments are comprised of the following for the years ending June 30, 2025 and 2024:

	<u>2025</u>	<u>2024</u>
Income:		
Interest income and dividends	\$ 15,356,509	\$ 16,682,102
Realized gains on sales of securities	<u>8,983,147</u>	<u>2,217,348</u>
Total investment income net of investment expense	<u>\$ 24,339,656</u>	<u>\$ 18,899,450</u>
Unrealized gains on securities	<u>\$ 16,357,680</u>	<u>\$ 39,642,202</u>

The System's investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the accompanying combined financial statements.

3. Property and Equipment

A summary of property and equipment at June 30, 2025 and 2024 follows:

	<u>2025</u>	<u>2024</u>
Land	\$ 32,573,539	\$ 31,656,170
Land improvements	11,125,302	11,018,623
Building and fixed equipment	480,967,390	441,658,894
Major movable equipment	396,148,027	377,026,947
Finance lease right-of-use assets	<u>2,825,246</u>	<u>122,371</u>
	923,639,504	861,483,005
Less accumulated depreciation	<u>596,599,652</u>	<u>570,290,941</u>
	327,039,852	291,192,064
Construction-in-progress	<u>18,733,117</u>	<u>23,548,648</u>
Property and equipment, net	<u>\$ 345,772,969</u>	<u>\$ 314,740,712</u>

Depreciation expense for the years ended June 30, 2025 and 2024 amounted to approximately \$26,302,000 and \$32,052,000, respectively.

Amortization expense on finance lease right-of-use assets for the years ended June 30, 2025 and 2024 was approximately \$843,000 and \$454,000, respectively.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued
June 30, 2025 and 2024

3. Property and Equipment, Continued

Construction contracts exist for various projects at year end with a total commitment of approximately \$18.1 million. At June 30, 2025, the remaining commitment on these contracts approximated \$8.1 million.

4. Goodwill

The System acquired Savannah Oncology Group on July 15, 2009. Savannah Oncology Group includes SJC Oncology Services - Georgia, LLC and SJC Oncology Services - South Carolina, LLC. The goodwill is evaluated annually for impairment.

The System, through a joint venture in which Health Services maintains a controlling interest, acquired a portfolio of urgent care centers to form St. Joseph's/Candler Urgent Care Centers, LLC on May 1, 2019. The goodwill is evaluated annually for impairment.

The changes in the carrying amount of goodwill for the years ended June 30, 2025 and 2024, are as follows:

	<u>2025</u>	<u>2024</u>
Balance at beginning of year:		
Goodwill	\$ 68,235,402	\$ 68,235,402
Accumulated impairment losses	<u>(11,658,145)</u>	<u>(11,658,145)</u>
	<u>56,577,257</u>	<u>56,577,257</u>
Goodwill acquired during the year	-	-
Impairment losses	<u>-</u>	<u>-</u>
Balance at end of the year:		
Goodwill	68,235,402	68,235,402
Accumulated impairment losses	<u>(11,658,145)</u>	<u>(11,658,145)</u>
Balance at end of the year	<u>\$ 56,577,257</u>	<u>\$ 56,577,257</u>

5. Related Organizations

Candler Foundation, Inc. and St. Joseph's Foundation of Savannah, Inc. (Foundations) were established to raise funds to support the operations of CH and SJH (Hospitals). The Foundations' bylaws provide that all funds raised, except for funds acquired for the operations of the Foundations, be distributed to or be held for the benefit of the Hospitals. The Foundations' general funds, which represent the Foundations' undesignated resources, are distributed to the Hospitals in amounts and in periods determined by the Foundations' Boards of Directors, who may also restrict the use of general funds for Hospital plant replacement or expansion or other specific purposes. Plant replacement and expansion funds, specific-purpose funds, and assets obtained from endowment income of the Foundations are distributed to the Hospitals as required to comply with the purpose specified by donors.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued
June 30, 2025 and 2024

6. Long-Term Debt, Continued

for the 2013A Revenue Bonds have been used (1) to finance the costs of constructing additions and improvements to, and equipment for, CH and SJH, (2) currently refund the outstanding principal amount of the Series 2003 Bonds, and (3) pay the costs of issuing the bonds and refunding the Series 2003 Bonds.

In May 2023, the System issued an official call to purchase all bonds outstanding of the Series 2013A Revenue Bonds. The System purchased and resold the 2013A Series Bonds to Bank of America, N. A. effective July 3, 2023. Proceeds for this refinance have been used (1) to call the Series 2013A bonds for purchase, (2) amend call structure of Revenue Bonds to make them noncallable, and (3) reissue bonds to Bank of America at a premium.

The Authority issued a \$30,025,000 taxable term bond Series 2013B pursuant to a Bond Trust Indenture dated November 1, 2013, by and between the Authority and the bond trustee, Regions Bank. The Authority simultaneously entered into a Loan Agreement dated November 1, 2013, by and between the Authority and the System, CH, and SJH. Interest will be paid annually through July 2023. Subsequently, principal and interest will be paid through July 2027. Proceeds for the 2013B Revenue Bonds have been used (1) to finance the costs of constructing additions and improvements to, and equipment for, CH and SJH, (2) currently refund the outstanding principal amount of the Series 1998C Bonds, and (3) pay the costs of issuing the taxable bonds and refunding the Series 1998C Bonds.

The Authority issued a \$12,000,000 principal bond Series 2017 pursuant to a Bond Trust Indenture dated December 27, 2017, by and between the Authority, the System, and the bond trustee, Regions Bank. Principal and interest will be paid monthly through July 2026. The purpose of the Bond is to refund a portion of Series 2016A in order to finance the construction of an additional campus of SJH for outpatient services. In November 2019, the Authority issued the Series 2019A bonds and a portion of the proceeds were allocated to refund the Series 2017.

The Authority issued a \$106,960,000 principal bond Series 2019A pursuant to a Bond Trust Indenture dated November 1, 2019, by and between the Authority and the bond trustee, Regions Bank. The Authority simultaneously entered into a Loan Agreement dated November 1, 2019, by and between the Authority and the Obligated Group. The Obligated Group has used the proceeds to (1) pay the costs of issuance of the Series 2019A bonds, (2) refund the outstanding principal amounts of the Series 2016 and 2017 bonds, and (3) fund the Project Fund and the Expense Fund pursuant to the Bond Trust Indenture.

The Authority issued a \$61,625,000 principal bond Series 2019B pursuant to a Bond Trust Indenture dated November 1, 2019, by and between the Authority and the bond trustee, Regions Bank. The Authority simultaneously entered into a Loan Agreement dated November 1, 2019, by and between the Authority and the Obligated Group. The Obligated Group has used the proceeds to (1) pay the costs of issuance of the Series 2019B bonds, (2) fund the Project Fund and the Expense Fund pursuant to the Bond Trust Indenture, and (3) refinance the outstanding principal amounts of the CH Master Note Series 2016B.

June 30, 2025 and 2024

6. Long-Term Debt, Continued

The Authority issued a \$19,020,000 principal bond Series 2019C pursuant to a Bond Trust Indenture dated November 1, 2019, by and between the Authority and the bond trustee, Wells Fargo Bank, N.A. The Authority simultaneously entered into a Loan Agreement dated November 1, 2019, by and between the Authority and the Obligated Group. The Obligated Group has used the proceeds to (1) pay the costs of issuance of the Series 2019C bonds and (2) fund the Project Fund and the Expense Fund pursuant to the Bond Trust Indenture.

The Authority issued a \$55,500,000 principal bond Series 2023 pursuant to a Bond Trust Indenture dated May 1, 2023, by and between the Authority and the bond trustee, Regions Bank. The Authority simultaneously entered into a Loan Agreement dated May 1, 2023, by and between the Authority and the Obligated Group. The Obligated Group has used the proceeds to (1) pay the costs of issuance of the Series 2023 bonds, and (2) fund the Project Fund and Expense Fund pursuant to the Bond Trust Indenture. Interest will be paid semi-annually through July 2024. Subsequently, principal and interest will be paid through July 2053.

On April 25, 2024, the System entered into a line-of-credit agreement with Regions Bank for a maximum \$50,000,000. Interest on the loan is a floating rate per annum equal to Term Secured Overnight Financing Rate (SOFR) plus 0.95%. Interest is payable monthly beginning June 2024. The System is also obligated to pay an availability fee of 0.05% per annum based on the daily average unused portion of the loan. The line-of-credit has a maturity date of April 25, 2026.

A summary of long-term debt at June 30, 2025 and 2024 follows:

	<u>2025</u>	<u>2024</u>
Hospital Authority of Savannah Revenue Bonds, St. Joseph's/Candler Health System, Inc.:

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued
June 30, 2025 and 2024

6. Long-Term Debt, Continued

Premiums and discounts on long-term debt are amortized using the straight-line method over the life of the related bonds which approximates the effective interest method.

Under the terms of the bond indentures, the System is required to maintain certain deposits with a trustee. Such deposits are included with assets limited as to use in the accompanying combined balance sheets. The bond indentures also place limits on the incurrence of additional borrowings and require that the System satisfy certain measures of financial performance as long as the bonds are outstanding. Additionally, the bond indentures are secured by gross receipts of the System, CH, and SJH.

Scheduled principal repayments on long-term debt (excluding finance lease liabilities) for the next five years are as follows:

<u>Year Ending June 30</u>	<u>Amount</u>
2026	\$ 44,232,000
2027	9,710,000
2028	9,785,000
2029	10,345,000
2030	10,915,000
Thereafter	<u>262,585,000</u>
Total	<u>\$ 347,572,000</u>

7. Leases

The System has operating and finance leases for buildings and equipment. The System determines if an arrangement is a lease at the inception of a contract. Leases with an initial term of twelve months or less are not recorded on the combined balance sheets. The System has lease agreements which require payments for lease and nonlease components and has elected to account for these as a single lease component.

Right-of-use assets represent the System's right to use an underlying asset during the lease term, and lease liabilities represent the System's obligation to make lease payments arising from the lease. Right-of-use assets and lease liabilities are recognized at the commencement date, based on the net present value of fixed lease payments over the lease term. The System has entered into lease arrangements that contain options to extend or terminate the lease in future periods. These options are included in the lease term used to compute the lease liabilities as presented on the combined balance sheets when it is reasonably certain the option will be exercised.

ST. JOSEPH'S/CANDLER HEALTH SYSTEM, INC.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued

June 30, 2025 and 2024

7. Leases, Continued

As most of the System's operating leases do not provide an implicit rate, the System uses its incremental borrowing rate based on the information available at the commencement date in determining the present value of lease payments. The System considers recent debt issuances, as well as publicly available data for instruments with similar characteristics when calculating its incremental borrowing rates. Finance lease agreements generally include an interest rate that is used to determine the present value of future lease payments. Operating fixed lease expense and finance lease amortization expense are recognized on a straight-line basis over the lease term. Variable lease costs consist primarily of common area maintenance and are not significant to total lease expense.

Operating and finance lease right-of-use assets and lease liabilities as of June 30, 2025 and 2024 were as follows:

	<u>2025</u>	<u>2024</u>
Operating leases:		
Right-of-use assets:		
Operating lease right-of-use assets	\$ <u>4,513,405</u>	\$ <u>5,650,551</u>
Lease liabilities:

Candler Foundation, Inc.	\$ 935,000	\$ 935,000
St. Joseph's Foundation of Savannah, Inc.	<u>100,000</u>	<u>100,000</u>
Total	\$ <u>1,035,000</u>	\$ <u>1,035,000</u>

9. Patient Service Revenue

Net patient service revenue is reported at the amount that reflects the consideration to which the System expects to be entitled in exchange for providing patient care. These amounts are due from patients, third-party payors (including health insurers and government programs), and others and includes variable consideration for retroactive revenue adjustments due to settlement of audits, reviews, and investigations. Generally, the System bills the patients and third-party payors several days after the services are performed and/or the patient is discharged from the facility. Revenue is recognized as performance obligations are satisfied.

Continued

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued

June 30, 2025 and 2024

9. Patient Service Revenue, Continued

Performance obligations are determined based on the nature of the services provided by the System. Revenue for performance obligations satisfied over time is recognized based on actual charges incurred in relation to total expected (or actual) charges. The System believes that this method provides a faithful depiction of the transfer of services over the term of the performance obligation based on the inputs needed to satisfy the obligation. Generally, performance obligations satisfied over time relate to patient services. The System measures the performance obligation from admission into the hospital to the point when it is no longer required to provide services to that patient, which is generally at the time of discharge. These services are considered to be a single performance obligation and have a duration of less than one year. Revenue for performance obligations satisfied at a point in time is recognized when services are provided and the System does not believe it is required to provide additional services to the patient.

Because all of its performance obligations relate to contracts with a duration of less than one year, the System has elected to apply the optional exemption provided in FASB ASC 606-10-50-14(a) and, therefore, is not required to disclose the aggregate amount of the transaction price allocated to performance obligations that are unsatisfied or partially unsatisfied at the end of the reporting period. The unsatisfied or partially unsatisfied performance obligations referred to above are primarily related to inpatient acute care services at the end of the reporting period. The performance obligations for these contracts are generally completed when the patients are discharged, which generally occurs within days or weeks of the end of the reporting period.

The System is utilizing the portfolio approach practical expedient in ASC 606 for contracts related to net patient service revenue. The System accounts for the contracts within each portfolio as a collective group, rather than individual contracts, based on the payment pattern expected in each portfolio category and the similar nature and characteristics of the patients within each portfolio. As a result, the System has concluded that revenue for a given portfolio would not be materially different than if accounting for revenue on a contract by contract basis.

The System has arrangements with third-party payors that provide for payments to the System at amounts different from its established rates. For uninsured patients that do not qualify for charity care, the System recognizes revenue on the basis of its standard rates, subject to certain discounts and implicit price concessions as determined by the System. The System determines the transaction price based on standard charges for services provided, reduced by contractual adjustments provided to third-party payors, discounts provided to uninsured patients in accordance with the System's policy, and implicit price concessions provided to uninsured patients. Implicit price concessions represent the difference between amounts billed and the estimated consideration the System expects to receive from patients, which are determined based on historical collection experience, current market conditions, and other factors. The System determines its estimates of contractual adjustments and discounts based on contractual agreements, discount policies, and historical experience.

Continued

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued
June 30, 2025 and 2024

9. Patient Service Revenue, Continued

Agreements with third-party payors typically provide for payments at amounts less than established charges. A summary of the payment arrangements with major third-party payors follows:

- Medicare

Inpatient acute care services and outpatient services rendered to Medicare program beneficiaries are paid at prospectively determined rates. These rates vary according to a patient classification system that is based on clinical, diagnostic, and other factors.

The System is reimbursed for certain reimbursable items at a tentative rate with final settlement determined after submission of annual cost reports by the System and audits thereof by the Medicare Administrative Contractor (MAC). The System's classification of patients under the Medicare program and the appropriateness of their admission are subject to an independent review by a peer review organization under contract with the System. The System's Medicare cost reports have been audited by the MAC through 2023 for CH and 2022 for SJH.

Laws and regulations governing the Medicare program are extremely complex and subject to interpretation. As a result, there is at least a reasonable possibility that recorded estimates will change by a material amount in the near term.

The System believes that it is in compliance with all applicable laws and regulations and is not aware of any pending or threatened investigations involving allegations of potential wrongdoing. However, there has been an increase in regulatory initiatives at the federal level including the initiation of the Recovery Audit Contractor (RAC) program. The RAC program was created to review Medicare claims for medical necessity and coding appropriateness. The RACs have authority to pursue improper payments with a three year look-back from the date the claim was paid. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action including fines, penalties and exclusion from the Medicare program.

- Medicaid

Inpatient acute care services rendered to Medicaid program beneficiaries are paid at prospectively determined rates per discharge. These rates vary according to a patient classification system that is based on clinical, diagnostic, and other factors. Outpatient services rendered to Medicaid program beneficiaries are reimbursed under a cost reimbursement methodology.

The System is reimbursed at a tentative rate with final settlement determined after submission of annual cost reports by the System and audits thereof by the Medicaid fiscal intermediary. The System's Medicaid cost reports have been audited by the Medicaid fiscal intermediary through 2022 for CH and SJH.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued
June 30, 2025 and 2024

9. Patient Service Revenue, Continued

• Medicaid, Continued

During 2022, Medicaid implemented the Medicaid CMOs Direct Payment Program (DPP). Under the DPP, eligible hospitals will receive increased Medicaid funding via an annual lump sum direct payment. The direct payment will be based on the difference between Medicare reimbursement and Medicaid payments using UPL calculations. The direct payment is made to the CMOs and the CMOs are required to transfer the payment to the hospital. The net amount of DPP payment adjustments recognized in net patient service revenue was approximately \$(427,000) and \$(79,000) during 2025 and 2024, respectively. In 2025 and 2024, the net payment resulted from assessments paid by the hospitals being greater than reimbursements received from the program.

Laws and regulations governing the Medicaid program are extremely complex and subject to interpretation. As a result, there is at least a reasonable possibility that recorded estimates will change by a material amount in the near term.

The System has also entered into contracts with certain managed care organizations to receive reimbursement for providing services to selected enrolled Medicaid beneficiaries. Payment arrangements with these managed care organizations consist primarily of prospectively determined rates per discharge, discounts from established charges, or prospectively determined per diems.

The System believes that it is in compliance with all applicable laws and regulations and is not aware of any pending or threatened investigations involving allegations of potential wrongdoing. However, there has been an increase in regulatory initiatives at the state level including the initiation of the Medicaid Integrity Contractor (MIC) program. This program was created to review Medicaid claims for medical necessity and coding appropriateness. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action including fines, penalties, and exclusion from the Medicaid program.

The System participates in the Georgia Indigent Care Trust Fund (ICTF) Program. The System receives ICTF payments for treating a disproportionate number of Medicaid and other indigent patients. ICTF payments are based on the System's estimated uncompensated cost of services to Medicaid and uninsured patients. The amount of ICTF payments recognized in net patient service revenue was approximately \$8,200,000 and \$3,300,000 for the years ended June 30, 2025 and 2024, respectively.

Continued

ST. JOSEPH'S/CANDLER HEALTH SYSTEM, INC.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued
June 30, 2025 and 2024

9. Patient Service Revenue, Continued

• Medicaid, Continued

The state of Georgia enacted legislation known as the Provider Payment Agreement Act (Act) whereby hospitals in the state of Georgia are assessed a “provider payment” in the amount of 1.45% of their net patient service revenue. The Act became effective July 1, 2010, the beginning of state fiscal year 2011. The provider payments are due on a quarterly basis to the Department of Community Health. The payments are to be used for the sole purpose of obtaining federal financial participation for medical assistance payments to providers on behalf of Medicaid recipients. The provider payment results in an increase in payments for Medicaid services to hospitals of approximately 11.88%. Approximately \$10,028,000 and \$9,298,000 of provider payments relating to the Act are included as a reduction in net patient service revenue in the accompanying combined statements of operations and changes in net assets for the years ended June 30, 2025 and 2024, respectively.

• Other Agreements

The System has also entered into payment agreements with certain commercial insurance carriers, health maintenance organizations, and preferred provider organizations. The basis for payment to the System under these agreements include prospectively determined rates per discharge, prospectively determined daily rates, fixed rate fee schedules, and discounts from established charges.

• Uninsured Patients

The System maintains a Financial Assistance Policy (FAP) in accordance with Internal Revenue Code Section 501(r). Based on the FAP, following a determination of financial assistance eligibility, an individual will not be charged more than the Amounts Generally Billed (AGB) for emergency or other medical care provided to individuals with insurance covering that care. AGB is calculated by reviewing claims that have been paid in full (including deductibles and coinsurance paid by the patient) to the System for medically necessary care by Medicare and private health insurers during a 12-month look-back period.

Settlements with third-party payors for retroactive adjustments due to audits, reviews or investigations are considered variable consideration and are included in the determination of the estimated transaction price for providing patient care. These settlements are estimated based on the terms of the payment agreement with the payor, correspondence from the payor, and the System’s historical settlement activity, including an assessment to ensure that it is probable that a significant reversal in the amount of cumulative revenue recognized will not occur when the uncertainty associated with the retroactive adjustment is subsequently resolved. Estimated settlements are adjusted in future periods as adjustments become known (that is, new information becomes available), or as years are settled or are no longer subject to such audits, reviews, and investigations. Adjustments arising from a change in the transaction price, were not significant in 2025 or 2024.

Continued

ST. JOSEPH'S/CANDLER HEALTH SYSTEM, INC.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued
June 30, 2025 and 2024

9. Patient Service Revenue, Continued

Generally, patients who are covered by third-party payors are responsible for related deductibles and coinsurance, which vary in amount. The System also provides services to uninsured patients, and offers those uninsured patients a discount, either by policy or law, from standard charges. The System estimates the transaction price for patients with deductibles and coinsurance and from those who are uninsured based on historical experience and current market conditions. The initial estimate of the transaction price is determined by reducing the standard charge by any contractual adjustments, discounts, and implicit price concessions. Subsequent changes to the estimate of the transaction price are generally recorded as adjustments to patient service revenue in the period of the change. Adjustments arising from a change in the transaction price were not significant for the years ending June 30, 2025 and 2024. Subsequent changes that are determined to be the result of an adverse change in the patient's ability to pay based on current or future estimated credit losses (determined on a portfolio basis when applicable) are recorded as credit loss expense. Credit loss expense for the years ended June 30, 2025 and 2024 was not significant.

Consistent with the System's mission, care is provided to patients regardless of their ability to pay. Therefore, the System has determined it has provided implicit price concessions to uninsured patients and patients with other uninsured balances (for example, copays and deductibles).

Net patient service revenue by major payor source, facility, and timing of revenue recognition for the years ended June 30, 2025 and 2024 is as follows:

Net Patient Service Revenue					
	<u>Medicare</u>	<u>Medicaid</u>	<u>Third-Party Payors</u>	<u>Self-Pay</u>	<u>Total All Payors</u>
2025	\$ <u>365,735,314</u>	\$ <u>23,023,654</u>	\$ <u>528,608,574</u>	\$ <u>8,821,077</u>	\$ <u>926,188,619</u>

Continued

ST. JOSEPH'S/CANDLER HEALTH SYSTEM, INC.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued

June 30, 2025 and 2024

9. Patient Service Revenue, Continued

Hospital net patient service revenue includes a variety of services mainly covering inpatient acute care services requiring overnight stays, outpatient procedures that require anesthesia or use of the System's diagnostic and surgical equipment, and emergency care services. Performance obligations for the hospitals, home health, and other ancillary patient services are satisfied over time as the patient simultaneously receives and consumes the benefits the System performs. Requirements to recognize revenue for inpatient services are generally satisfied over periods that average approximately four days and for outpatient services are generally satisfied over a period of less than one day. Retail pharmacy, reference lab, and other point-of-sale revenues' performance obligations are satisfied at a point in time when the goods and services are provided. These revenues are recorded in other revenue on the combined statement of operations and changes in net assets.

The System has elected the practical expedient allowed under FASB ASC 606-10-32-18 and does not adjust the promised amount of consideration from patients and third-party payors for the effects of a significant financing component due to the System's expectation that the period between the time the service is provided to a patient and the time that the patient or a third-party payor pays for that service will be one year or less. However, the System does, in certain instances, enter into payment agreements with patients that allow payments in excess of one year. For those cases, the financing component is not deemed to be significant to the contract.

The System has applied the practical expedient provided by FASB ASC 340-40-25-4 and all incremental customer contract acquisition costs are expensed as they are incurred as the amortization period of the asset that the System otherwise would have recognized is one year or less in duration.

10. Uncompensated Services

Net patient service revenue includes amounts, representing the transaction price, based on standard charges reduced by variable considerations such as contractual adjustments, discounts, and implicit price concessions. Uncompensated care includes charity and indigent services of approximately \$134,000,000 and \$145,000,000 for 2025 and 2024, respectively. The cost of charity and indigent services provided during 2025 and 2024 was approximately \$30,000,000 and \$44,000,000, respectively, computed by applying a total cost factor to the charges foregone for uninsured claims and an estimated unreimbursed cost for insured claims.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued
June 30, 2025 and 2024

10. Uncompensated Services, Continued

The following is a summary of uncompensated services and a reconciliation of gross patient charges to net patient service revenue for 2025 and 2024.

	<u>2025</u>	<u>2024</u>
Gross patient charges	\$ <u>3,979,736,155</u>	\$ <u>3,733,325,175</u>
Uncompensated services:		
Charity and indigent care	134,158,029	145,023,026
Medicare	1,709,189,675	1,612,241,213
Medicaid	166,586,192	172,718,620
Other third-party payors	997,376,921	908,969,645
Price concessions	<u>46,236,719</u>	<u>39,365,875</u>
Total uncompensated care	<u>3,053,547,536</u>	<u>2,878,318,379</u>
Net patient service revenue	\$ <u>926,188,619</u>	\$ <u>855,006,796</u>

11. Pension Plans

The System created a 401(k) plan effective January 1, 2004. All employees of the System who have reached age 21 and have completed one year of eligible service are eligible to participate in the employer matching program. Employees may deposit a portion of their earnings for each pay period on a pre-tax basis and the System matches 50% of each participant's voluntary contributions up to a maximum of 6% of the employee's annual salary. Matching contribution expenses for the years ended June 30, 2025 and 2024 totaled approximately \$5,813,000 and \$5,146,000, respectively. Discretionary contribution expense for the years ended June 30, 2025 and 2024 totaled \$0- and \$15,782, respectively.

The System maintains an unfunded Supplemental Executive Retirement Plan (SERP), which provides retirement benefits to certain officers and select employees. This plan is nonqualified and does not have a minimum funding requirement. The liability for this SERP obligation is included as deferred compensation payable and the assets set aside as a reserve for this liability are included in Board designated assets limited as to use in the accompanying combined balance sheets.

12. Self-Insurance Claims

The System insures its professional and general liability on a claims-made basis through Geechee, a wholly-owned subsidiary, with a self-insured retention limit of \$7,000,000. The System insures its employed physician professional liability on a claims-made basis through Geechee with a self-insured retention limit of \$4,000,000. At June 30, 2025, there are known claims and incidents that may result in additional claims, as well as claims from unknown incidents that may be asserted arising from services provided to patients. The System has employed independent actuaries to assist in estimating the ultimate costs, if any, of settlement of such claims that are not covered by commercial insurance.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued
June 30, 2025 and 2024

12. Self-Insurance Claims, Continued

Accrued malpractice losses have been discounted at 6.00% for both June 30, 2025 and 2024, and in management's opinion, provide an adequate reserve for loss contingencies. The estimate of these potential claims is approximately \$35,000,000 and \$34,000,000 at June 30, 2025 and 2024 and is included in accrued self-insurance claims in the accompanying combined balance sheets. Management was not aware of any asserted or unasserted claims that exceed the System's insurance coverage as of June 30, 2025.

The System is self-insured with respect to workers' compensation claims up to a self-insurance retention limit of \$750,000 per claim. Workers compensation claims in excess of the self-insurance retention limits are insured with a commercial insurance carrier on a claims-made basis. Management was not aware of any asserted or unasserted claims that exceed the System's excess workers' compensation coverage as of June 30, 2025.

The System is self-insured with respect to employee health insurance claims. The System maintains reinsurance through a commercial excess coverage policy, which covers annual individual employee claims paid in excess of \$500,000. Under this self-insurance program, the System paid or accrued approximately \$31,000,000 and \$31,000,000 during the fiscal years ended June 30, 2025 and 2024, respectively.

13. Concentrations of Credit Risk

The System grants credit without collateral to its patients, most of whom are local residents and are insured under third-party payor agreements. The mix of net accounts receivable from patients and third-party payors for CH and SJH at June 30, 2025 and 2024 was as follows:

	<u>2025</u>	<u>2024</u>
Medicare	33%	29%
Medicaid	3%	4%
Managed care	42%	43%
Commercial and other	12%	13%
Patients	<u>10%</u>	<u>11%</u>
Total	<u>100%</u>	<u>100%</u>

At June 30, 2025, the System had deposits at major financial institutions which exceeded the \$250,000 Federal Depository Insurance limits. Management believes the credit risks related to these deposits is minimal.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued
June 30, 2025 and 2024

14. Functional Expenses, Continued

The combined financial statements report certain expense categories that are attributable to more than one health care service or support function. Therefore, these expenses require an allocation on a reasonable basis that is consistently applied. Costs not directly attributable to a function, including depreciation and amortization, interest expense, and other occupancy costs, are allocated to a function based on a square footage basis. Benefit expense is allocated consistent with salaries.

15. Fair Values of Financial Instruments

The following methods and assumptions were used by the System in estimating the fair value of its financial instruments:

- *Cash and cash equivalents, accounts payable, accrued expenses, estimated third-party payor settlements:* The carrying amount reported in the combined balance sheets approximates its fair value, due to the short-term nature of these instruments.
- *Assets limited as to use:* Amounts reported in the combined balance sheets are at fair value. See below for fair value measurement disclosures.
- *Long-term debt:* The fair value of the System's fixed rate long-term debt is estimated based on quoted market value for same or similar debt instruments. The remaining long-term debt carrying amount approximates its fair value. Based on inputs used in determining the estimated fair value, the System's long-term debt would be classified as Level 2 in the fair value hierarchy.

The carrying amounts and fair values of the System's long-term debt at June 30, 2025 and 2024 are as follows:

	2025		2024	
	<u>Carrying Amount</u>	<u>Fair Value</u>	<u>Carrying Amount</u>	<u>Fair Value</u>
Long-term debt	\$ <u>354,796,059</u>	\$ <u>350,538,270</u>	\$ <u>346,581,278</u>	\$ <u>338,262,834</u>

Interest receivable	<u>149,425</u>	<u>-</u>	<u>149,425</u>	<u>-</u>
Total assets	\$ <u>431,456,109</u>	\$ <u>390,806,415</u>	\$ <u>40,649,694</u>	\$ <u>-</u>

	<u>Fair Value</u>	<u>Fair Value Measurements at June 30, 2024</u>		
		<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
Assets:				
Cash and cash equivalents	\$ 64,454,629	\$ -	\$ 64,454,629	\$ -
Mutual funds - fixed income	96,796,210	96,796,210	-	-
Mutual funds - equity	169,647,422	169,197,334	450,088	-
Mutual funds - international equity	54,220,192	54,220,192	-	-
Equity securities - common stock	29,647,518	29,647,518	-	-
Equity securities - international	3,001,768	3,001,768	-	-
Interest receivable	<u>198,821</u>	<u>-</u>	<u>198,821</u>	<u>-</u>
Total assets	\$ <u>417,966,560</u>	\$ <u>352,863,022</u>	\$ <u>65,103,538</u>	\$ <u>-</u>

Following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at June 30, 2025 and 2024.

- *Cash and cash equivalents:* Valued at amortized cost, which approximates fair value.
- *Equity securities including mutual funds:* Certain equity securities are valued at the closing price reported on the active market on which the individual securities are traded. Other equity securities are valued based on quoted prices for similar investments in active or inactive markets or valued using observable market data.

Continued

ST. JOSEPH'S/CANDLER HEALTH SYSTEM, INC.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued

June 30, 2025 and 2024

15. Fair Values of Financial Instruments, Continued

Financial assets valued using Level 1 inputs are based on unadjusted quoted market prices within active markets. Financial assets valued using Level 2 inputs are based primarily on quoted prices for similar investments in active or inactive markets. Valuation techniques utilized to determine fair value are consistently applied.

16. Commitments and Contingencies

Health Care Reform

There has been increasing pressure on Congress and some state legislatures to control and reduce the cost of health care at the national and the state levels. Legislation has been passed that includes cost controls on healthcare providers, insurance market reforms, delivery system reforms, and various individual and business mandates among other provisions. The costs of these provisions are and will be funded in part by reductions in payments by government programs, including Medicare and Medicaid. There can be no assurance that these changes will not adversely affect the System.

Compliance Plan

The healthcare industry has been subjected to increased scrutiny from governmental agencies at both the federal and state level with respect to compliance with regulations. Areas of noncompliance identified at the national level include Medicare and Medicaid, Internal Revenue Service, and other regulations governing the healthcare industry. In addition, the Reform Legislation includes provisions aimed at reducing fraud, waste, and abuse in the healthcare industry. These provisions allocate significant additional resources to federal enforcement agencies and expand the use of private contractors to recover potentially inappropriate Medicare and Medicaid payments. The System has implemented a compliance plan focusing on such issues. There can be no assurance that the System will not be subjected to future investigations with accompanying monetary damages.

Litigation

The System is involved in litigation and regulatory investigations arising in the course of business. After consultation with legal counsel, management estimates that these matters will be resolved without material adverse effect on the System's future financial position or results from operations.

ST. JOSEPH'S/CANDLER HEALTH SYSTEM, INC.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued
June 30, 2025 and 2024

17. Liquidity and Availability

As of June 30, 2025 and 2024, the System has working capital of approximately \$178,000,000 and \$182,000,000, respectively.

Financial assets available for general expenditures within one year of June 30, 2025 and 2024, consist of the following:

	<u>2025</u>	<u>2024</u>
Cash and cash equivalents	\$ 115,577,483	\$ 74,147,275
Patient accounts receivable, net	127,844,990	138,148,325
Other receivables	17,333,879	13,570,701
Estimated third-party payor settlements	4,265,287	-
Assets limited as to use - board designated	<u>393,401,086</u>	<u>354,940,573</u>
Total financial assets available	<u>\$ 658,422,725</u>	<u>\$ 580,806,874</u>

None of the financial assets available are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the balance sheet date. The System estimates that approximately 100% of the Board designated funds are available for general expenditure within one year in the normal course of operations. Accordingly, these assets have been included in the quantitative information above. The System has other assets whose use is limited for other purposes. These assets whose use is limited are not available for general expenditure within the next year and are not reflected in the amounts above. The System structures its financial assets to be available as its general expenditures, liabilities, and other obligations come due. In addition, the System has approximately \$15,000,000 available for expenditures from its line-of-credit agreement with Regions Bank. See Note 6.

INDEPENDENT AUDITOR'S REPORT ON COMBINING INFORMATION

The Board of Trustees
St. Joseph's/Candler Health System, Inc.
Savannah, Georgia

We have audited the combined financial statements of St. Joseph's/Candler Health System, Inc. as of and for the years ended June 30, 2025 and 2024, and our report thereon dated October 23, 2025, which expressed an unmodified opinion on those combined financial statements, appears on pages 1 through 3. Our audits were conducted for the purpose of forming an opinion on the combined financial statements taken as a whole. The combining information included in this report on pages 45 through 64, inclusive, is presented for purposes of additional analysis of the combined financial statements rather than to present the financial position, results of operations and cash flows of the individual entities, and is not a required part of the combined financial statements. Accordingly, we do not express an opinion on the financial position, results of operations and cash flows of the individual entities.

The combining information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combined financial statements. Such information has been subjected to the auditing procedures applied in the audits of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining information, which insofar as it relates to Geechee Reinsurance Company, LLC, a wholly-owned subsidiary, is based on the report of other auditors, is fairly stated in all material respects in relation to the combined financial statements taken a whole.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

The Board of Trustees
St. Joseph's/Candler Health System, Inc.
Savannah, Georgia

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of St. Joseph's/Candler Health System, Inc., which comprise the combined balance sheet as of June 30, 2025, and the related combined statements of operations and changes in net assets, and cash flows for the year then ended, and the related notes to the combined financial statements, and have issued our report thereon dated October 23, 2025.

Our report includes a reference to other auditors who audited the financial statements of Geechee Reinsurance Company, LLC, a wholly-owned subsidiary, as described in our report on the System's combined financial statements. The financial statements of Geechee Reinsurance Company, LLC, were not audited in accordance with *Government Auditing Standards*, and accordingly, this report does not include reporting on internal control over financial reporting or instances of reportable noncompliance associated with Geechee Reinsurance Company, LLC.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the combined financial statements, we considered the System's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the combined financial statements, but not for the purpose of expressing an opinion on the effectiveness of the System's internal control. Accordingly, we do not express an opinion on the effectiveness of the System's internal control.

65

Let's Think Together.®

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the System's combined financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the combined financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the System's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the System's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
