

OPERATION EMPOWER HEALTH - GREATER SAVANNAH

NO-COST VETERINARY SERVICES FOR ANYONE

MAY 10 - MAY 18 / 8 a.m. - 4 p.m.

St. Joseph's/Candler and Georgia Southern University are supporting the U.S. Military to provide no-cost spay/neuter and rabies vaccinations for those in need in our region.

Additionally, troops from every branch of the military will be providing medical, dental and vision services for thousands of people in May.

Rabies vaccinations and general exams will be provided by military veterinarians for dogs and cats daily at each site. Spay and neuter services for healthy cats and dogs will be performed by military veterinarians at the Civic Center and Pet Fix Savannah locations only.
